OUR SERVICES

CONSTRUCTION MATERIAL SUPPLIER

We are reliable supplier of stone dust, aggregates, GSB, WMM, sand and fly ash for road, bridge and infrastructure projects.

We have tie-ups with family owned crushing plants, strategically located at various locations across Uttar Pradesh, Bihar, Jharkhand, West Bengal and Madhya Pradesh, ensuring consistent availability and quality of materials.

Our own transportation fleet of 18-wheel and 22-wheel truck trailers enables us to supply materials reliably and within the required project timelines.
